# The problems we all know...

- deadly boring lessons
- lack of practical knowledge
- difficult access to data for university students
  - and many many more

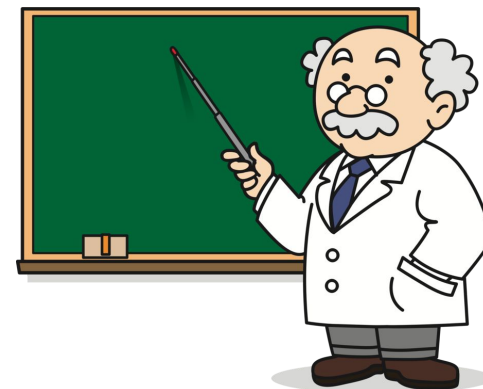

BALTIC  
SAT  
APPS

# ONE APP TO RULE THEM ALL

# FOR WHO?

# Vision

- functionalities exactly for students and teachers of primary school and high school
- part dedicated exactly for university students and academic teachers
- resources and statistics available for private users

# Funding

- various types of subscription
- independent pricing for every functionality
- free 7-day trial

Thank you for your  
attention
