Areas of usage

Detecting objects to calculate popularity of given area.

Gathering informations about conditions on the trails.

An aerial photograph of a very crowded beach. The beach is filled with hundreds of colorful umbrellas in various colors like blue, yellow, red, and green. People are scattered across the sand and in the shallow water. In the background, there are some buildings and a paved walkway. The overall scene is one of a busy, popular beach destination.

There are better places!

- **Parkings**
- **Camping sites**

A dirt road winds through a forest. On the right side of the road, there is a large, neat stack of cut logs. The sun is shining brightly from the top center, creating a large lens flare that spreads across the sky and illuminates the scene. The trees are mostly bare, suggesting a late autumn or winter setting. The overall atmosphere is bright and clear.

Prepare yourself!
